

*Focusing on a bright future...*

## **DSD WORKSHOP**

*Presented by The Reproductive Anomalies & Disorders of Sex  
Development Clinic at Phoenix Children's Hospital*

*The DSD Workshop is open to all patients and their families who are interested in education, making personal connections, and providing support for those affected by a congenital reproductive system anomaly.*

*The DSD Workshop will feature brief informational sessions and age-appropriate breakout sessions. Clinic physicians will be available to offer support, encouragement, and answer your individual questions.*

*Saturday, February 27, 2016*

*10:00a - 1:00p*

*Cohen Conference Center*

*Phoenix Children's Hospital*

*1920 E. Cambridge Ave.*
